WELCOME

Dear Families,

Welcome to St. John Paul II Catholic Learning. We are honored to walk alongside your family in the sacred work of educating and forming your children in truth, beauty, and goodness. Our program exists to support parents in their God-given role as the primary educators of their children, offering a Christ-centered, classical learning environment rooted in the teachings of the Catholic Church.

Our hope is to cultivate a community where children are known, loved, challenged, and encouraged to grow academically, spiritually, and personally. Through prayer, relationship, and rich learning experiences, we seek to form students who pursue truth, practice virtue, and live with courage and charity.

Through the pursuit of beauty, truth, and goodness, we seek to form not only capable students, but faithful, thoughtful, and virtuous young people—all for the Glory of God. We look forward to partnering with your family this year.

With Joy In Jesus and Mary,
Whitney Fleming
Director, St. John Paul II Catholic Learning

*“There are those who seek knowledge for the sake of knowledge; that is Curiosity.
There are those who seek knowledge to be known by others; that is Vanity.
There are those who seek knowledge in order to serve; that is Love.”
—St. Bernard of Clairvaux*

STATEMENT OF FAITH

St. John Paul II Catholic Learning follows the teachings of the Roman Catholic Church as outlined in the Catechism of the Catholic Church.

The Apostles' Creed summarizes our beliefs.

I believe in God,
the Father Almighty,
Creator of heaven and earth,
and in Jesus Christ, His only Son, our Lord,
who was conceived by the Holy Spirit,
born of the Virgin Mary,
suffered under Pontius Pilate,
was crucified, died and was buried;
He descended into hell;
on the third day He rose again from the dead;
He ascended into heaven,
and is seated at the right hand of God the Father Almighty;
from there He will come to judge the living and the dead.
I believe in the Holy Spirit,
the Holy Catholic Church,
the communion of Saints,
the forgiveness of sins,
the resurrection of the body,
and life everlasting.

Our classes will be taught from this perspective, and the Catholic faith will permeate our learning. Signing the agreement page means you will abide by the teachings of the Magisterium of the Catholic Church, including those related to moral teachings.

MISSION AND IDENTITY

Mission Statement

St. John Paul II Catholic Learning exists to support Catholic homeschool families by providing a classical, Christ-centered learning community that forms students in virtue, wisdom, and a love of truth.

Catholic Identity

Our program is faithfully Catholic in teaching, prayer, and practice. Instruction, materials, and community life reflect the teachings of the Magisterium of the Catholic Church. Prayer is woven into the rhythm of each day, and students are encouraged to grow in reverence, charity, humility, and responsibility.

Homeschool Partnership

Parents remain the primary educators of their children. St. John Paul II Catholic Learning serves as a support program that partners with families to provide instruction, planning resources, and community.

IN-PERSON LEARNING

St. John Paul II Catholic Learning offers small-group, in-person instruction combined with curriculum guidance and parent support. In-Person learning serves Catholic homeschool families in the North Dallas area. Families may choose two, three, or four in-person learning days per week, supported by thoughtfully prepared lesson plans and curated resources that equip parents in their role as primary educators.

Each on-site learning day begins and ends with prayer, grounding our work in gratitude, humility, and trust in God. Instruction is personalized to meet each student's academic needs, honoring individual strengths while encouraging diligence, responsibility, and perseverance.

Through the pursuit of beauty, truth, and goodness, we seek to form not only capable students, but faithful, thoughtful, and virtuous young people—all for the Glory of God.

EDUCATIONAL PHILOSOPHY

Rooted in a blended Classical and Charlotte Mason approach, our program emphasizes rich language, thoughtful learning, and the formation of wisdom and virtue. Everything we do is intentionally Catholic in its worldview, with faith naturally woven into every subject and daily activity. Lessons are thoughtfully individualized to meet each student's academic needs, honoring their strengths while encouraging diligence, responsibility, and perseverance. Through the pursuit of beauty, truth, and goodness, we seek to form not only capable students, but faithful, thoughtful, and virtuous young people - all for the Glory of God.

PRIMARY (Kindergarten - 2nd Grade)

The Primary years invite children into a world of wonder, curiosity, and joyful learning. Rooted in Catholic tradition, our program blends strong academics with hands-on science, delightful art, meaningful religious exploration, and the beauty of handwriting and music, creating a nurturing foundation for lifelong learning.

GRAMMAR (3rd Grade - 6th Grade)

During the Grammar stage, students begin to ask deeper questions and make meaningful connections across subjects. Through strong academics, guided discussion, and hands-on exploration, we nurture curiosity, confidence, and a growing sense of responsibility. Faith and learning are woven together as students grow in knowledge, character, and love of truth.

If in doubt, don't wear it, or ask first.
- Parents will be notified via email or text of any dress code violations.

LEARNING DIFFERENCES

St. John Paul II Catholic Learning welcomes students to in-person learning with learning differences, but tutors do not have any special training or expertise in this area. If a student has special learning needs, parents should communicate this during the enrollment process. We do not have the resources available in public schools or extra time to significantly adapt for individual needs.

BEHAVIOR & DISCIPLINE POLICY

Our community is rooted in respect, responsibility, and love of neighbors. We believe every child is created in the image and likeness of God and is capable of growing in virtue, self-control, and kindness. Our expectations exist to create a safe, peaceful, and joyful learning environment where all students can thrive academically, socially, and spiritually.

Students are expected to:

- Show proper respect for adult authority at all times, in both words and actions. Adults should be addressed respectfully (e.g., Father, Dr., Mr., Mrs., or Miss, followed by last name).
- Treat all members of the community with dignity and respect, including peers, instructors, staff, parents, and volunteers.
- Use kind, appropriate, and truthful language. Teasing, bullying, threats, exclusion, gossip, and disruptive or inappropriate conversations are not tolerated.
- Follow classroom procedures and adult guidance promptly and attentively.
- Participate reverently in prayer, lessons, and on-site activities, showing respect during religious instruction and community gatherings.
- Respect personal space and physical boundaries to ensure the emotional and physical safety of all.
- Demonstrate self-control during transitions, group work, free play, and structured activities.
- Care for facilities, materials, and personal property. Students are responsible for cleaning up after themselves in all areas of St. John Paul II Catholic Learning.
- Take responsibility for their actions. When damage occurs (accidental or intentional) students are expected to acknowledge the issue, apologize, and make reasonable efforts to repair or replace what was harmed.
- Act with honesty and academic integrity, submitting their own work and refraining from using unauthorized materials or answer keys.
- Refrain from pranks, rough play, or behavior that could cause harm, disruption, or distress.
- Comply with all safety policies, including the weapons policy outlined in the General Policies section. Violations of safety policies will be handled in accordance with the Disciplinary Action Policy.

Discipline Philosophy

We approach discipline as formation, not punishment. Our goal is to guide students toward reflection, restoration, and growth in virtue. When challenges arise, we may use:

- Gentle redirection and clear reminders
- Private, respectful conversations to help students understand the impact of their actions

- Restorative steps such as apologies, repairing damage, or making amends when appropriate
- Communication and collaboration with parents when patterns of concern emerge

Serious or Repeated Concerns

Violence, threats, bullying, or ongoing disruptive behavior are considered serious offenses. If a student's behavior consistently disrupts the learning environment or compromises the safety and well-being of others, St. John Paul II Catholic Learning reserves the right to implement additional measures, which may include:

- Development of a behavior support plan in partnership with parents
- Temporary suspension from on-site learning days
- Dismissal from the program if the environment is determined to no longer be a good fit for the student or the community

Repeated violations may result in suspension or dismissal, with all financial obligations remaining in effect as outlined in the tuition and enrollment agreement.

Our shared commitment is to walk alongside each child with patience, clarity, and grace, helping them grow academically, socially, and spiritually.

SAFE ENVIRONMENT

All adults staying on-site during learning days (board members, tutors, and parents) are required to be certified under the diocesan Safe Environment Program through their home parishes. Proof of current certification will need to be provided before the beginning of the academic year and at the time of update if it occurs during the academic year.

We are working to provide a safe environment. The doors will be locked or watched during in-person hours. Adults, other than parents or those designated by the parent, will not spend time alone with only one student in any closed room or vehicle. Doors to all classrooms will remain open during classes.
